

**SUBJECT: Protective Shield Secondary Guarding System installed on Dingli  
Scissor Lifts**

To whom it may concern:

Subject to the terms and conditions of this letter, Zhejiang Dingli Machinery Co., Ltd (hereinafter referred to as "DINGLI") conditionally approves the retrofit installation of the Protective Shield secondary guarding system on applicable Dingli products.

The company Protective Pty Ltd or the party responsible for the modification to DINGLI products assumes the responsibility of the machine manufacturer, including ensuring that the machine meets the applicable standards and requirements for use, obtaining certification if necessary, and providing all warranty, liability, service parts and support for the Protective Shield System.

This letter is valid from June 2024 for the DINGLI products sold in Australia. The modification to DINGLI machines shall be in strict accordance with all conditions, instructions and warnings contained in this letter. For the Protective SHIELD System ("the System" hereinafter) operation, safety, support, and other information, please contact Protective Pty Ltd.

The operation of the System must strictly comply with the requirements of Protective Pty Ltd.

The Owner/Employer/User/Operator of the related products, not DINGLI, assumes the responsibility or liability for any incident involving personal injury, property damage, or equipment damage that may occur as a result of the improper modification and improper operation associated with the System.

Training on the installed system is in no way intended to replace proper operator training for the machine. The operator is responsible for reading and understanding the System Operator' s Manual and any effect this system has on the operation and safety systems of the machine as designed and manufactured by Dingli.

The current owner, operator, and user are responsible for the safe and proper operation and utilization of the elevating work platform. Dingli assumes no responsibility or liability for incidents involving personal injury, property damage, or equipment damage that may occur from the improper utilization of Dingli products and/or the System.

Sincerely,

Zhejiang Dingli Machinery Co., Ltd
