Subject: Protective Pty Ltd – Protective Shield – Installation Letter

Pursuant to your request, and information received, JLG Industries submits the following:

JLG Industries, Inc. (“JLG”) conditionally approves the installation of Protective Pty Ltd’s Protective Shield on applicable JLG Scissor Lift models in Australia and New Zealand.

The device manufacturer retains full responsibility for design, testing and certification of the Protective Shield and are responsible for the maintenance of all related technical documentation.

For Protective Shield information and support, please contact Protective Pty Ltd directly at <https://www.protective.net.au>. This includes the following and applies whether the system was installed by JLG, the machine owner, or other suitably qualified persons:

- Instruction/operation manuals.
- System operation and service training
- Technical support
- Service and Warranty information
- Standards compliance questions

The current owners of Scissor Lifts are responsible for the overall safe and proper operating condition of the referenced lifts. The operators are responsible for the safe and proper operation and utilization of JLG Scissor Lift. Reference the Operator & Safety Manual for safe and proper operation.

JLG Industries, Inc. assumes no responsibility or liability for any and all incidents involving personal injury, property damage, or equipment damage, which may occur from the improper utilization of JLG products.

Should you have any questions, or require additional information, please advise.

Sincerely,

JLG INDUSTRIES, INC.
